## CORPORATE TEAM BUILDING ACTIVITIES

Shoresports Christchurch offer a range of team building activities you can choose from for your Corporate Day.

### Raft Building

Try the "Standard" session which lasts between 45 and 90 minutes. You will be given everything you need to build your raft and then paddle it back to shore. Or challenge yourself with the "Stranded" session which lasts between 2 and 2.5 hours. You will be separated from your ship 'HMS CHH' and have become wrecked on a beach. Left stranded, armed only with an envelope of money, you must try to make your craft that will get you back to the 'Deck.

### SUPs and Kayak Tours

Whether on a SUP or kayak, a tour is a great way of bonding with colleagues, drawing out hidden skills and enjoying some of the best of what Christchurch has to offer. Tours can be custom made to suit your group's needs, whether that's taking you to explore the stunning local waterways and scenery, or a series of constructive motivational team games.

### Harbour Walk

This stunning walk takes you through the old town of Christchurch, past a Norman ruin and the famous Priory. Once through the town we cross the river Stour and walk up Hengistbury Head. At the top there are fabulous views of the harbour and local area. Your group will then walk down to Mudeford spit, renowned for its beach huts. Finally you'll catch the short ferry to Mudeford Quay and it's a 5 minute walk back to the hotel.

### Fast Boat Rides

Group sizes of between 4 and 14 people, per ride. Shoresports work with Adventure Voyages, offering you memorable fast boat excursions in their purpose built 9 metre/30 foot Rigid Inflatable Boat.

### Windsurfing

Why not learn a new skill whilst building relationships? Windsurfing is a challenging but fun activity bringing out different people's strengths and encouraging you to push your boundaries.

### Shoresports Olympics

A bespoke day of team games, which can involve races in any of the activities that we offer but also including competitions in crabbing, sandcastle building, welly throwing, a Kubb tournaments, Tug of war and many more.

---
